Curtain Kit

# clazmo

Curtain Kit

**Wouldn't it be wonderful to wake up to the warm glow of sunlight? Your curtains will gently roll out on their own when it's time for you to wake up.**

With the Clazmo Curtain Kit, schedule the curtains to open automatically every morning and wake up energized by the caress of gentle morning sun rays.

Precisely adjust the curtain position as per your preference by voice command, RF remote, or from our eGlu mobile app.

## Curtain Motor Kit

Curtain Motor kit with track,  
eGlu Controller, and RF Remote
